

CUSTOM MEDIA SOLUTIONS

TODAY'S ISSUES AND TOPICS PRESENTED IN A HIGH-QUALITY FORMAT ACROSS PRINTED AND DIGITAL OPTIONS

Define your vision that puts you back on the radar of M&A professionals globally. We help you build an integrated approach to ensure that you have the targeted reach you are looking for to maximize leads and build ROI in the right direction. Experience our reach across the deal economy through the following approaches:

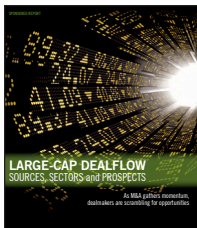

- Surveys and Industry Reports
- Microsites and Custom URL Destinations on The Deal.com
- Webcasts
- Podcasts
- Executive Dealmaking Interviews
- Whitepapers

Focus on your daily deadlines while taking advantage of our cutting edge experience in managing the entire development process. Through our in-house marketing, design, production and editorial staff we are able to leverage over a decade of experience serving the dealmaking community. This sets us apart from the competitors and ensures that your message is delivered to the right decision makers that influence Wall Street and the global financial markets.

PARTNER WITH THE DEAL AND ELEVATE YOUR CUSTOM MARKETING CAMPAIGNS TODAY

Custom Reprints – Recently featured in The Deal Magazine or online. Contact our advertising representatives and create a lasting impression for your clients showcasing your achievements or leadership position in the deal economy.

Surveys and industry reports – Unsure of where the latest dealmaking trends are headed? How is financing across the middle market shaping up for next year? Get the inside track by surveying our dealmakers database on the questions you need answered to plan your M&A strategies.

Videos and Podcasts – An unparalleled opportunity to create a single topic or custom series featuring your leading experts and latest insight regarding the future of today's M&A environment. Past topics have included private equity, regulation and corporate governance.

Webcasts – Moderated by a senior Deal editor these events can be produced as a single topic or built as part of an ongoing digital series. Prior webcasts have included leaders from **Espirito Santo Investment Bank, Piper Jaffray Cos., Pricewaterhouse Coopers** and **Bank of America**.
