

On-Site Health and Safety Protocol

We are closely working with the venue to keep you as safe as possible during the event. If while at the event you are feeling unwell, please leave, let the staff know at the registration desk and follow the relevant health/medical authority rules. We will collect all contact information in case of a Covid-19 case at our event.

Temperature Checks: We will be taking temperatures at the registration desk.

Physical Distancing: Events will maintain a maximum capacity and density of participants in accordance with relevant official government and regional guidance.

Protection and Defense: We recommend wearing masks where physical distancing is not possible. Masks will be available at the registration desk.

Health and Hygiene: We recommend washing hands frequently and using the sanitizer provided.
